

CHC53315 – Diploma of Mental Health

Course Overview (*Domestic Students*)

TMG College Australia's (TMG) Diploma of Mental Health program has been designed to allow students the ability to gain real work experience whilst furthering their working knowledge and skills of the Mental Health Industry.

Students will be introduced to the following main learning areas within this qualification:

- ✓ How to correctly provide systems advocacy services
- ✓ How to correctly work collaboratively with the care network and other services
- ✓ How to correctly provide early intervention, health prevention and promotion programs
- ✓ How to correctly provide support to develop wellness plans and advanced directives
- ✓ How to correctly implement trauma informed care

All of which we have you ready for multiple areas of employment possibilities within Mental Health sector.

*Thinking of a Career Change and want to make a difference?
Why not choose a career in Mental Health-care Today!*
